**Course & Excursion Cancellation Policy:** The deadline for registering for a course is listed under each course description. Be sure to register early to assure a space and to help ensure the course or excursion meets its minimum enrollment. A full refund is granted if a course is cancelled. If you have missed the deadline, contact us anyway, as there might still be room. No reduction in fees is given for incomplete attendance. Cancellation requests must be submitted before the first meeting of the course and will be refunded minus a \$10.00 handling charge for each transaction. There is no refund on excursion cancellation requests submitted after the registration deadline date if purchase of tickets is required, unless someone is found to buy the unused ticket. A \$10.00 handling fee is also charged for refunds on excursions.
