

## **WWU Summer Session Supplemental Application Information (For International Students)**

### **Never Attended Western?**

Prospective international students (non-U.S. citizens or non-U.S. permanent residents) who are applying for Summer Session only must be either fully admitted to WWU as a degree-seeking student or currently hold a visa status in the U.S. which allows for study.

International students who have never attended Western must be formally admitted through WWU Admissions to a degree program at WWU before an I-20 (Certificate of Eligibility, needed for F-1 student status) can be issued. Once you have been formally admitted to WWU, you will be issued an I-20. The I-20 is then used to apply for an F-1 student visa at a U.S. consulate or embassy in your home country. To remain eligible for the I-20 and student visa, you must be enrolled full-time for 12 or more credits each quarter. Those in a Master's program must be enrolled for 8 or more credits.

The University cannot provide I-20 forms or give other assistance in obtaining F-1 (student) status for attendance in Summer Session only. Summer-only students must have F-1 (student) status already through enrollment at another U.S. college or university, or be able to enter the U.S. or currently hold a visa status in the U.S. which allows for study.

\*\*If you are currently in F-1 or J-1 status, holding an I-20 or DS-2109 from another U.S. school, and you intend to continue studying at your present school after Summer Session, you do not need an I-20 or DS-2019 from Western. You may attend Western's Summer Session part-time or full-time.

### **English Proficiency Requirement**

International students must demonstrate English language proficiency with a minimum Test of English as a Foreign Language (TOEFL) score of 550 (paper-based), 213 (computer-based), or 80 (internet-based).

### **Canadian Citizens**

Students from Canada must meet all requirements applicable to those from other countries, as mentioned above.

### **WWU Intensive English Program**

Western offers a program for students who wish to improve their English language skills. Contact the Intensive English Program at (360) 650-3755 or by e-mail at [Steve.Robinson@wwu.edu](mailto:Steve.Robinson@wwu.edu).
