

Non-Accessible Rooms on Campus

For those WWU sponsored events, programs and activities where it is not known prior to the event if any of the participants and guests have a disability requiring an accessible location, it is recommended that the following locations be avoided when planning your event. These locations should only be used when you know exactly who your audience is.

Fraser Hall 2*
Fraser Hall 3*
College Hall*
MH 2nd floor*
MH 3rd floor *
MH basement
AH 100
AH 04

* These locations require the use of chairlifts for people using wheelchairs to access. If these locations must be used, you should familiarize yourself with the operation of the chairlifts by contacting DisAbility Resources for Students at x3083 or the ADA Coordinator at x3307 prior to the event. Even though chairlifts may be available, it is strongly recommended they not be used.
