

Guidelines for HIRING THROUGH FACULTY VACANCY POOLS USING ELECTRONIC APPLICATION SYSTEM

The purpose of a vacancy pool is to fill temporary faculty vacancies that result from: ongoing department needs to meet enrollment demands; faculty illness; an unsuccessful search process; or other department needs. These guidelines should assist departments in implementing the electronic application system (EASE) for faculty vacancy pool hiring, ensuring affirmative action and equal opportunity principles and maintaining records necessary to be in compliance with federal and state regulations.

The Human Resources Office (HR) can provide assistance at 360-650-3306. The Equal Opportunity (EO) Office can also provide assistance at 360-650-3307 or TTY 360-650-2535.
